

## Get to know Mrs. (Ruth)Tatter

Mrs. Tatter is extremely excited to be joining the staff at LCA. God placed a spark in her heart to apply for the Grades 1- 2 teaching position. God opened the door for her skill set to be used at LCA. The spark in her heart has now become a flaming fire.

Mrs. Tatter has spent many years in the public school primary classroom. The last 15 years have been in both first and second grade. Mrs. Tatter taught a multi-age classroom of grades 4, 5, and 6 at Kansai Christian School in Ikoma, Japan for one year. She spent ten years teaching in Walker, Mn along with 2 additional years in Park Rapids, MN. These experiences make her a natural to slide into the position at LCA.

Along with teaching, Mrs. Tatter enjoys spending time with her husband of 34 years. They like to garden, fish, camp, and play cribbage. Mrs. Tatter also likes to sew, crochet, and do water aerobics at the Y. They have 3 grown children and 4 grandchildren.

Joining LCA to teach strategically and openly from a Biblical Worldview excites Mrs. Tatter as the 2022-23 school year draws near. She looks forward to working as a team with parents and students to encourage growth as learners of the Word and academics.
