

Renee Henderson comes to Lighthouse with over 23 years of teaching experience. At a very young age, Renee knew she wanted to be a teacher. She has been involved in church ministry for as long as she can remember and though not involved with youth ministry at this time, serves in the areas of children's and worship ministry at Calvary Chapel Northwoods in Coleraine. Sharing the love of Jesus and His Grace has always been a passion for her. Renee's life verse is "I can do all things through Christ who strengthens me." Phillipians 4:13 Renee shared, "I am excited to be part of a team where our faith shines through in everything we do. I am excited to share and teach the Bible and help children and youth grow their faith in Christ. Helping kids to know and understand their Biblical Worldview is one of the most important things we can teach our children other than bringing them into a saving Faith with Christ. I have always loved the symbolism of the lighthouse. We are called to be lights for Jesus in everything that we do. "

Renee and her husband Brian and their 2 boys love the outdoors, fun family outings, and spending time with Church family. They are all excited to be a part of the Lighthouse Christian Academy family this year. Renee earned her undergraduate from Bemidji State University as a non traditional student through the Arrowhead University Center in the area of Elementary Education, with an endorsement in Middle School for Math and Social Studies. Later, she went on to get her Master's in Instructional Leadership from Crown College and her K-12 Media Specialist licensure from Minnesota State University, Mankato.

Renee enjoys traveling with her family, teaching piano, worship, baking, board games, cards, friends, gardening, cross country skiing, and being on the lake.
